Bhogapuram in particular is an upcoming locality with future potential. It has become a major attraction for investors with Govt. of AP signing an agreement with GMR Airports for construction of a greenfield international airport at Bhogapuram. Investing in the development around Bhogapuram will ensure high-returns in the long run.

Bhogapuram, from where three districts of Andhra Pradesh viz., Visakhapatnam, Vizianagaram and Srikakulam stand to gain maximum benefits. This locality showcases approved residential gated community plots with state-of-art amenities.

Pros:

- If Hyderabad is Bhagyanagar of Telangana, Bhogapuram will be the Bhagyanagar of AP
- A Central Point for three districts viz., Visakhapatnam, Vizianagaram and Srikakularm
- There will be high demand for reputed developers with minimal execution risk.

Cons:

- The hype keep prices on their upward trajectory
- Only economic crisis affects the sentiment regarding safe investment

The very place which is now the epicenter for many projects announced by the Government. Recently, the Airports Authority of India (AAI) visited Bhogapuram lands to assess the location for setting up an international airport in that region. Bhogapuram site located at a point where it can be reached from Srikakulam, Vizag and Vizianagaram. Even it will also be near to the Proposed Seaport coming up near Bheemili.

After Andhra Pradesh and Telangana were separated, Vishakhapatnam is having all the major necessities to become Capital of Andhra Pradesh. The developments will go to the side of Bhogapuram as the part of this place is very suitable for Residential as well as Govt .Land is also available for construction of the new capital. Also the place was already mentioned in the past for construction of International airport.
