Description

We have built main factory area with RCC slab on heavy beam column structure. Height of slab is moderate i.e. 11 feet. The surrounded area on three sides are covered with powder coated metal sheets. Flooring has been done with Kota stone fittings which is recommended for Food products manufacturing unit (FM CG), surgical units, pharma companies, corrugated box manufacturing companies and many more production units. Moreover, banks, transport facilities and Indore Highway National Road are very close to Kathwada GIDC. This GIDC has been developed with wide paved asphalt roads, good rain water drainage system and other necessary requirements. The factory has its own waste well and a huge water storage tank.
