Locality Reviews

Cooke Town, Bangalore

This is a quiet neighborhood with all amenities close by. This was a British colony in the olden days and still have some of the charm left. There is a park close by with supermarket at a stone's throw. Schools, clinics close by.

Pros:

- Brand new , unused posh apartment for expats and corporate use
- Companies can take all 4 apartments together

Cons:

- Roads need fixing

Cooke Town is one the old residential area of Bangalore from the time of British rule and the most sought after location primarily due to its close proximity to C B D Area and besides high standard of educational institutions, medical care facilities, shopping, marketing, banking facilities, railway stations are within easy reach. Least and not last has excellent connectivity to Bangalore International Airport. It still maintains its old charm of residential atmosphere.

Pros:

- Excellent connectivity to all areas of Bangalore
- Good living atmosphere
