### Locality Reviews

Frazer Town, Bangalore

Fraser Town I have lived in for almost 10 years, and what i found or like about it is its cosmopolitan nature and its friendly community, lots of churches, mosques and temples, schools and hospitals of sound reliability surround these locations, namely Fraser Town, Cox Town, Richards Town and Cooke Town, the cantonment railway station is easily accessible, the last three years has seen tremendous growth in new properties being raised, there is also a huge influx of people from other parts of the country choosing these locations because of its close proximity to places like commercial street and Mahatma Gandhi Road, plus the Cubbon park for a day out with family and friends. Anyone will find this is one of the very best locations because of its strategic location giving access to just any part of our great Bangalore.

**Pros:**

- *It is in CBD area with all needs necessities for a person*

**Cons:**

- *A bit crowded*
