#### About Indian logistics

Global investors are bullish on India's logistics infrastructure sector, given the already existing shortages and the emerging new demand driven by e-commerce retailing

#### INDIAN LOGISTICS after GST

"Demand for logistics is booming in India due to the introduction of Good and Services Tax (GST) that has revolutionized how goods are delivered across the country. This is perhaps the only sector where investor opinions were uniformly bullish. Developer willingness to build new facilities without pre-commitment from tenants is testament to the strength of the market".

"With the government now also according infrastructure status to warehousing projects, there is a huge pipeline of demand for large build-to-suits because there is hardly any ready-built demand. It is one of those rare sectors where the demand side is completely outstripping supply".

Shamshabad and Nagaram area are going to become the most happening destination within 2 years and the land rates are going to zoom in upwards direction only based on our area study report which is given below

About Nagaram village, area development and venture details and features are given below:

- 1 Nagaram is declared as first r1 and High-Rise zone in HMDA master plan of 2031
- 2 Nagaram is 1st village which is free from the restrictions and HADA limits
- 3 Cost of land went Rs 1crore per acre in the boom
- 4 Proposed metro rail up to Shamshabad airport
- 5 7km from Shamshadabd airport
- 6 25 mints from Gachibowli financial district through outer ring road
- 7 30min drive to Hitech city
- 8 2km from Pedda Golconda outer ring road junction
- 9 Indian airlines housing project

Projects nearby Nagaram village

- 1 Our plot is nearby FAB City
- 2 Hardware park
- 3 Rajiv Gandhi gems and jewelry park
- 4 TCS, TATA Advanced Systems
- 5 APIIC
- 6 Prajay virgin country, HCL, Kernex micro systems.
- 7 Ramky Discover city and DLF township
- 8 APIIC Pharma SEZ
- 9 Bangalore based Wonderla Amusement park in 50 acres Already Started.

All these projects were proposed in the earlier Realestate boom of 2007-2009 period and due to improper state government all these projects were not taken up. Now since we have TRS Stable government in place all these projects have started again and work is going in full swing. Entire real estate community has forgotten about this NAGARAM Village as there was slump in the market and now development has already started and nobody is watching. Believe me the rates are going to TRIPLE in 1-2 years from now.

**Pros:**

- *Nagaram Will become the most strategic location in Shamshabad*
- *Nagaram is in the midst of all SEZs and Industrial Parks*

Shamshabad { Only on NH 7 Bangalore Highway only} is the best place to invest. Now the rates are very cheap. They will increase with in due course of time. It's very near to Airport and Gachi Bowli and outer ring road. One can purchase the plots after Bio conservation limits ( water catchment area). So many industries and educational institutions are coming near Timmapur and Kothur. There is a plan for Cargo of Railway terminal and extension of metro upto Timmapur railway station. The link Road between Timmapur and Maheshwaram is being widened. Sri Swami Jeeyar temple and Hospital complex and Medical college is near to Timmapur . My Home constructions are planning to construct a smart city between Muchintal and Timmapur Road. This is the best place to invest compare to Mumbai Highway, Warangal Highway, Srisailam Highway.

**Pros:**

- *It is Near to International Airport*

**Cons:**

- *No Malls*
