Description

Neo Smart city was conceptualized with on the pretext of the Prime Minister's vision of developing 'one hundred Smart Cities', as satellite towns of larger cities and by modernizing the existing cities. Among-st all satellite towns, it has the pedigree to evolve into a smart city and hence deserves to be the pilot project. The project is a single project which is a city in itself and is clubbed with all modern amenities and privileges like Transportation Services, Internet and Data Services, Education Etc, just like a whole city. The project offers high class standard of living to the neo middle class who have this aspirations of living.
