Locality Reviews

Sevvapet, Chennai

Sevvapet Road is the name of the railway station on Madras Central - Thiruvallur line. This railway station is situated alongside the MTH (Madras Thiruvallur Highway) within walking distance. The housing area between MTH Road and that railway station is in Thozhuvur Revenue village. One approved layout known as United India Nagar is just lying in between. If residential plots are available for outright sale, they may have many takers.

Pros:

- Accessibility to train and bus route is within walkable distance
- Fresh garden vegetables vendors are seen going around in tricycles.
- Some schools are seen in the vicinity. But train services are a boon. Transportation is cheap

Cons:

- One may have to await the construction of an over ridge to go from MTH road side to interior places
- Departmental stores, shopping malls are yet to come.

Sevwapet is connected with railway facilities and is a peaceful area for residing. Now it may look silent place but as the bridge work gets completed Sevwapet will have a lot of noise.

Pros:

- Peaceful
- Train facilities available

Cons:

- No connectivity to schools, shopping mall, cinema theatres
