Nothing much needs to be said it is the most beautiful and scenic place in Pune. The crowd basically consists of Hi-class people. Even after so much construction, it still maintains high security, greenery, less traffic.

The USP of Kalyani Nagar is that one will not find so much Greenery in any other area in Maharashtra.

Pros:

- Banks, malls, clinics, schools are near by to the locality.
- The place is very Peaceful, quiet and a lot of greenery.
- The locality is very family oriented.
- No water problems and no electricity issues.

Cons:

- none
