Sobha Ltd epitomizes "passion at work" in totality. For us it is not only a catch phrase which sounds just right, rather we all strive to live it daily. It serves as our compass which guides us towards creating world class quality products and workmanship. It guides us to be transparent in all our dealings and adhere to delivery on time, each time. We draw heavily from the innate qualities of our founder, Mr. PNC Menon in imbining and actually living the brand. Simply put, this means that we do not cut corners towards making best - in - class products. Our work revolves around creating 'quality' with immense passion like Mr. Menon himself - the builder extraordinaire, who revolutionized the way people perceive quality in realty sector.
