## Description

**Legacy Dimora** is reflective of a modern Italian architectural style based on the rational but artistic use of modern materials. It is a visual aesthetic seemingly inspired by an abstract painting or a finely moulded sculpture. Today, the leading innovators of modern Italian architecture believe that building forms must be determined by their functions and materials in order to achieve intrinsic significance or beauty in contemporary terms. This unique insight and design sense has given rise to home that are not just aesthetically superior, but contemporary and sensible for modern day needs and a comfortable lifestyle.

Each Apartment is fashioned with Italian Marble Flooring for the entire apartment, glass cubicles for shower areas, indoor temperature controlled pool and a host of other high-end features that will deceive anyone to believe the possibility of Dimora being a star hotel. **3BHK, 40 apartments of 2750 sq ft** with large, airy sunlit rooms. No two apartments share a common wall, thereby maximizing ventilation and natural light from all sides.
