Andheri west is basically excellent place for people from all fraction of society irrespective of financial or communal difference. Apart from social view practically it is center of Mumbai from where it is very easy to communicate to any part of Mumbai whether east west north or south and that to through your choice of conveyance this views are not just narrated but are experienced since last 40 years of stay. West which haves Multiplexes,malls,Restaurants etc. with high end residential complexes Whereas east comprises of commercial hub of MI DC where almost all MN C's are having their corporate you cannot find such combination at one place.

Pros:

- *We can call Mecca of Mumbai. Road,Traffic, Security,etc all are excellent*

Cons:

- *Only negative aspect according to me it is nowadays being overcrowded*
