## Locality Reviews

IMT Manesar, Gurgaon

IMT stands for Industrial Model Township. The very basic ideology of growth stands focused on to the entrepreneurial development in association with the upcoming residential and commercial complexes. Since the GDP stands to its lowest at 4.7%, the net result of growth of residential and the commercial fails to bring about any significant changes as well. The poor road condition and approach from Gurgaon through National Highway to IMT extremely shameful and unwarranted to make any comment. Till such time the road condition improves and safe driving facilities introduced from Khirkee Doula Toll Plaza and beyond the poor condition of IMT Manesar would continue.

### Cons:

- *Till such time the Road condition and safety improves the progress of IMT Manesar remain.*
- *Developing Area*
