Description

Vasant Lawns , a world-class residential complex in Thane touching the Eastern Express Highway , conceptualized, planned and executed by the Sheth Group in co-ordination with an international team of architects and landscape designers, keeping in mind the growing need and appalling lack of that one element so important for human beings to live with dignity and respect..SPACE. Vasant Lawns has been architected to provide a better life. The perfect union of mind space, body space and soul space, here you will find space in everything you see. In the wide open areas resulting from the presence of only 8 buildings over seemingly unending acres of land, each between 18-22 storeys tall.

Thane west Naupada is heart of the city. All basic things are available at walking distance. Vegetable market is 5 mins walking. This is one of the best place to stay in thane. one will not feel that he is so close by to Mumbai. cool, calm green city. Good infrastructure, roads are wide, commercial complexes and shopping mall are well located and are full of amenities. But one thing is lacking in thane and i.e public transport is not up to mark. One should have a 2 wheeler to stay in thane. overall feel will be pleasant, you are staying in Mumbai but will not get crowded atmosphere.

Pros:

- Cool place
- green city
- wide roads

Cons:

- thane station is crowdie place
