Description

Mittal Brothers has bought a new project that is **Zen Business Center** which has featured a host of facilities that promise to make every visit an occasion to look forward to. The project comprehensive 3-tier security system, are all evidence of the thought that has gone into designing a super-special commercial complex with an ambiance that matches up to a five star facility. The Zen Business Center's location advantage will definitely result in very high footfalls from every direction. The project is designed to give showrooms and retail spaces maximum frontage without compromising on the design aesthetics. And, with very less retail space available in the vicinity currently, ZBC is slated to become the most desired shopping destination in the area. The project is up to every expectation that a successful business requires from its office premises. From location to infrastructure, amenities to facilities, every small detail is thought about. The large floor place ensures that we can cater to large businesses or even customize to specific needs of establishments. It is this flexibility and planning that makes ZBC a perfect choice for corporate as well as individual professionals.
