Situated in the heart of Lucknow, this is an excellent society developed by UP Awas Vikas Parishad. Wide roads, serene atmosphere, lush greenery, ample play-grounds & parks, malls, schools, hospitals, recreational, health & fitness facilities and close to airport, metro & railway points. This is the escalation of new Lucknow and is developed on the same lines as Greater Noida & Greater Mumbai.

Pros:

- Approach
- Space
- Environment

Cons:

- Congestion
- Low Traffic
- Under development

The colony is developing fast and in a planned manner. The houses/flats are built with ample space and ventilation and the builder Awas Vikas is the best in terms of quality

Pros:

- Awas Vikas is the builder

Cons:

- Some private builders are also coming here

Road Condition of Inside Road is very bad . There is no shopping complex to suffice day to day need. You have to rush to Raebareli Road even for petty/small items. There is no cleaning in road/lane.

Pros:

- Roads are wide and there are number of parks in Vrindavan Yojna.

Cons:

- Inside Roads and parks are very in bad condition.
