Description

The most important attraction of **Persist Royal Greens** is that it is built with ample care given to the green-preservation. Thus the project remains one of the best options to lead a life in the lap of flourishing greenery. More than 30% of the total space is set apart for green space. The project has all necessary and modern amenities and facilities which are required for leading a comfortable life. Besides, the project is close to many residential and commercial hubs. This will make your life more comfortable and convenient.

Persist Infraventures is the real estate wing of Persist Group. It is one among the leading real estate developers in India. The origin of the group dates back to the year 1956 when a group of enthusiastic visionary developers came together to form the group. Supported with high talented professionals, the group is growing as one of the largest real estate developers in India. The group has so far developed a good number of projects and still there are a good number of projects under construction.
