A famous Lord Muruga temple in Tamil Nadu. Anuvavi Temple, another Lord Murugan temple, is about 15 km away and can be reached via a mountain trail from Maruthamalai. It also houses the Vellingiri Hills Lord Shiva site. The 2000-year-old Perur Temple is also close by.

**Pros:**

- *adavalli is about 9 km from both the Railway station and 14 km from Gandhipuram bus stand, and 19 km*

Vadavalli being 3 km away from the more populated and polluted part of coimbatore and yet having all the basic and modern needs is a unique destination for a home. The climate is always a few degrees lower once you cross the Agricultural university. Big hotels/lodges, supermarkets, gyms, prestigious schools (DPS, PSBB) Universities in the neighbourhood makes this a place to settle down in life.

**Pros:**

- *Good Schools*
- *Clean and less air pollution*

**Cons:**

- *No pizza home delivery*

Vadavalli is one of the finest residential locality in Coimbatore, close to the Western Ghats. It has grown leaps and bounds in the Realty space, with many individual houses, Villas, Gated Community living, Apartments and residential layouts emerging at a rapid pace. Reputed builders have come with excellent projects with excellent amenities to suit many. The prices have been moving up steadily, but still within the limits of a common man. The roads are clean, and the commuting time to the city is still well within reach. It's an area you can still look upon investing in an asset. The locality is scenic and serene, with a lot of greenery, and water facility is good. The area up to Thondamuthur is green and this is an area many should look upon investing in a property.

**Pros:**

- *Pollution Free*
- *Return on Investment*
- *No Industrial development hence green*

**Cons:**

- *No large Hospitals or Commercial complex.*
- *Rise in road traffic seen off late*

Vadavalli is a happening place in Coimbatore which is a surprise to many Coimbatorens themselves who are taken by surprise to witness the enormous growth in the Real Estate space. Prices have shot up and today it's a destination to many who are willing to settle down for a calm, serene, and peaceful life with the beauty of the Western Ghats around with clouds engulfing the hills which itself takes you to a different world altogether. Still a wise decision to invest in a property in this place.

**Pros:**

- *Weather is amazing with lesser traffic and pollution*
- *Good for investment*
- *Rapid development*
