Description

The exterior of the house could feature a welcoming entrance, possibly with a covered porch or overhang to provide shelter from the afternoon sun. The facade might include windows strategically placed to allow natural light into the living spaces while maintaining privacy.

Upon entering the house, you might find a cozy living room. Large westfacing windows could illuminate the space with warm afternoon sunlight. The decor could be designed for comfort and relaxation, with a sofa, chairs, and perhaps a coffee table as the focal point
