Locality Reviews

Sohna Road area, Gurgaon

Sohna is a rapidly developing area located in the southern part of the Gurugram district in the Indian state of Haryana. It is known for its scenic beauty, proximity to the Aravalli Hills, and growing real estate market. The opening of Delhi-Mumbai Expressway, one of the largest infrastructure projects in India, boosted real estate development in the Sohna region, with luxury independent floors emerging as a key segment. The expressway, which spans 1,300 km, will provide seamless connectivity between Delhi and Mumbai, reducing travel time between the two cities to under 12 hours. This has led to increased investor interest in the Sohna region, which is located along the expressway and is expected to benefit from improved connectivity.

The opening of the Delhi-Mumbai Expressway is a major event that heralds the beginning of a new era of infrastructure development and economic growth in the NCR. It has the potential to ignite trade and business activity, resulting in positive outcomes for all. The property market in Haryana's Sohna and Gurugram benefited from this project as well, as it is anticipated that demand in these areas will rise dramatically in both the residential and commercial sectors.

Real estate developers in Sohna are already capitalizing on this opportunity, with several luxury housing projects in the pipeline. These projects focus on providing spacious and independent homes, catering to the needs of high-net-worth individuals and affluent families.

Pros:

- Well Connected With Gurgaon Central & Other Parts Of Delhi NCR
