Mulund is the earliest planned suburb of Mumbai city, which extends from present day Mulund station to Paanch Rasta junction in Mulund (West). Mulund comes under the Central line of railway. If you go through any Central line Mulund has the hottest property to live in. Mulund was a home to a cosmopolitan mix of large number of educated middle class residents and several industrial factories along present day L.B.S. road.

Mulund today has become more densely populated than what it used to be, it still remains one of the greenest and safest places to live in Mumbai. The pleasant living conditions and easy access to different parts of the city and its outskirts, have attracted many new residents.

Also Mulund is a well connected suburb in all directions. Mulund has several educational institutes in both English and Regional language mediums. Mulund has two large shopping malls on LBS Marg, Nirmal Lifestyles and R-Mall. and really one of the few suburbs of Mumbai to boast of a vibrant night life. The center of it all lies within Nirmal Lifestyles mall, near Nahur. Several western cuisine restaurants, along with some Indian restaurants are located within the mall, and it also has two nightclubs. Overall, the night life in Mulund has a sober and peaceful feel to it, except for some people who have too much to drink.

Real Estate prices are hiked day by day in Mulund according to the demand. Safe for residential purpose all the time as compared to other suburbs.

Panchrasta, Tambe Nagar, Sarvodaya Nagar, Aasha Nagar, Yogi Hill, Vardhaman Nagar, Veena Nagar, Vaishali Nagar, Model Town, Swapna Nagari, Kalpa Nagari, Yogi Hill, Mulund Colony are few important places. Mulund is one of the posh built-up areas in North-East part of Mumbai. There is an easy access to Eastern Express Highway and Navi Mumbai through Mulund-Airoli Bridge.

Pros:

- *Mulund is perfect location for Residential purpose as compared to other suburbs.*
- *The biggest shopping mall in India, that is Nirmal LifeStyle, is located in Mulund.*
- *As people over there worship God, Allah, Bhagwan, so there are many Temples, Churches and Mosques.*
