### Description

**Prime constructions** story underlines the three vital factors common to every successful business - a much needed and affordable product, identification of a potential market and lastly, the drive and vision. Established in 1997 by Qualified Engineers, Prime constructions set out to provide the highest level of service to its customers. The company has grown to a leadership position in the industry as a result of its customer centric approach to business. We take an uncompromisingly rigid stance on principles, ethics, commitments and customer satisfaction. The number of referrals by our customers is a testimony to our customer service.

**Prime Meadows** offers a whole new perspective to life to those people who don't believe in compromises. Nature reigns supreme here. It's resplendent presence redefines your lifestyle and perceptions. The imminent presence of natural elements is loud and clear. Imagine drawing away the curtains to gaze at majestic rocks, rolling grey hills. Imagine coming home to your very own paradise everyday! The worth of a project can be gauged from the people who handle it. Prime group was set up over a decade ago with the foresight and dynamism to see potential tracts of land and convert them into exquisite living habitats. The process of creating value encompasses selecting prime locales, building them up with care and offering valuable residential options to their clientele. Prime Meadows promises to be a worthy investment for discerning buyers who are looking for value in every square feet.
