### Locality Reviews

Chevalla, Hyderabad

Properties in Chevalla is fast developing, i think in a couple of years from now it' will be very difficult to catch the property in main Chevalla. It is learnt that within a radius of 4kms the prices have gone past rs.10000/- per sq.yards. and in main chevalla it's around rs.80000/- per sq.yard. even i thought of investing , buying a 1000 sq yards plot in chevalla but the rates has gone beyond my reach in just 2 years.

I wish good luck for the locals and the leaders.

#### Pros:

- chevalla is fast developing.

#### Cons:

- I request the Realsters not to cheat the people by giving false information about the individuals
- holding property or selling their properties.
