Sector 1 is one of the most promising location within Greater Noida West. There is a bridge which is under construction that will connect this sector to Noida. Hence it will decrease the travel time to Noida. This is also located near FNG expressway that will give another boost to real estate in this sector. Reputed builders are active in this part of the city. Investment in this area will result in good return.

Pros:

- Good place to invest in
- Good living atmosphere
- Well Planned Area

Cons:

- Under development
