Expert Reviews on Victoria Green Valley Villas

very good project and I have bought one villa for 13 lakhs and I am very satisfied with the construction quality and features available at an affordable rate. And also I suggested the new upcoming villas in the same community to one of my friends who is supposed to buy a new villa in near future

Pros:

- Quality construction
- Timely delivery

- *nice atmosphere to live in*

I have bought 2 Villas with Victoria Realtors at Greenvalley Vandithavalam for me and my sister, and I am really disappointed to write this review as the worst mistake of my life. The only reason I am writing this review is that, no one else should ever invest their lifetime earnings in these good for nothing projects. They have hired few really good speakers as agents by the Victoria Realtors side, to make fake promises and not long lasting commitments. As soon as you make yours deal, then the only people important for them are the people coming to buy them. Now i regret making this decision.

Pros:

- *Nothing good to mention unfortunatelyt*

Cons:

- *Congested villas*
- *fake promises*
