Locality Reviews

Karupayurani, Madurai

This is one of the prime developing locations in and around Madurai, with good education institutions nearby and very good water at higher ground level. Everything is accessible from here school, college, shops, supermarket, temple and NH-45B is very close. Even the registration office is too close to karuppayurani. This will be best for living as well as for investment.

Pros:

- *Peace full place*
