Kharar is the centerpiece of Mohali district. Mohali is touted to become the next IT hub of North India. So Kharar, being placed virtually in the backyard of Mohali, will serve as a perfect habitat to the denizens of the IT hub, firstly because of its location, and secondly, because of the affordable housing it provides. Its proximity to Chandigarh has an added advantage. It is because of this influx and easier approach-ability to the tricity that Kharar has become a hotspot with real estate developers and buyers.

Pros:

- *Sunny Enclave is a 400 acre construction venture in region*

- *Very good appreciation*
- *Good approach to city*
