Laxmi Nagar is a friendly quite posh locality with every necessary amenities close at hand. I have lived here for 10 long years and seen the area growing from little to much more when it comes to a residential area. It has all the things that one would require yet within the environmental benefits. So the area is relatively greener than most other areas. Proximity of hospitals, temples makes this place ideal for senior citizen. Schools are in proximity.

Pros:

- Good Roads
- Near to hospitals
