Description

Virar has come a long way from being a distant suburb to being a well connected residential location. It is the starting point for all trains, there's an upcoming metro line, it is apart of the MMRDA makeover plan, there's a 140 km 12 lane corridor planned from virar to alibaug - the development is simply astounding. There are shopping malls, movie theatres, restaurant on one side top notch educational institutions and health care facilities on the other. And there couldn't be a better time to invest in a home here away from the limitations of the city. this is for those who believe a home with a pool, a tennis court, a clubhouse and a school next door isn't just wishful thinking. there is more to life and setting for less is just not an option.

Locality Reviews

Virar West, Mumbai

Virar West is a very fast developing area, part of MMR, well connected by Rail (Local trains) and Road (NH - 8), with very good facilities, excellent weather, has now been part of the newly formed Palghar district. It is also famous for its Paragliding location, Jain Temple and Jivdani Temple. With maximum funds allocated towards Churhage Virar Elevated railway project, its connectivity to Mumbai - Pune highway, it would soon be a most sought location, hence a very good place for people who look for some good location in terms of investment.

Pros:

- Good Schools, colleges, hospitals etc
- Closeness to Mumbai (even both airports)
