Bicholi Mardana came under nagar nigam 1 year ago. It is a very peaceful place people living here are financially sound, so there are no anti social activities. 2 member of legislative assembly lives here which leads to the easy and successful development of this place. This locality is far better than any other comparative locality in Indore.

Pros:

- Just 8 km away from railway station and bus stand and center of Indore.

Cons:

- Highway over-bridge is under construction which leads to little dust.
