Locality Reviews

Meerut Road Industrial Area, Ghaziabad

It's a ghaziabad main prime industrial area . ghaziabad city has many industrial sites but MEERUT road site is most expensive and after that no land is easily available for sale or rent.it does not have small plots less than 10000 sqft.all basic amenities are near by.all residential posh colonies are touching MEERUT road industrial area.

Pros:

- Few leading manufacturer of India have their own industrial properties in this area
- This industrial area is touching main highway joining delhi and MEERUT.

Cons:

- Most of times this industrial area face traffic jam for several hours
- During festival season to traffic chaos and jam
