Locality Reviews

Gudavalli, Vijayawada

Currently the most preferred location for warehousing, hardly 5km to the airport and 15km to the city center and railway station. Village on the Chennai -Kolkata highway and the best approach to Chennai -Hyderabad (Mumbai) highway which is 10Km from the village

Pros:

- Chennai- Kolkata National Highway runs bisecting the village,
- Village has a highway face of 4km approx
- Very close to the Airport and City center

Gudavalli is in close proximity to Vijayawada City approx 15 kms and adjoining village to Vijayawada airport at Gannavaram. It is having number of educational institutions, Eenadu office and other high-end 4 wheeler distributor show rooms. Has all the potential to development into a town shortly and may come into the purview of proposed Greater Vijayawada.

Pros:

- Close proximity to Vijayawada City.
- Likely inclusion in the proposed Greater Vijayawada purview.
- Adjoining village to Vijayawada airport at Gannavaram.
- Realtors are encashing the expectations of Andhra Capital closely

Cons:

- Still a rural area.
