Description

Rich Builders has been built brick by brick over the last decade and today it is among the most well-known and reliable names in the North Goan construction industry.

Rich Builders now proudly present an aesthetically designed and well planned mini-village - the Rich Builders Paradise comprising of two/three bedroom Apartments, Row Houses, Twin and Independent Villas. The entire residential complex is designed to suit your elegant and leisure lifestyles, with all the comforts and amenities.

Rich Builders Paradise is just 4 kms. away from the capital city of Goa - Panaji and is ideally located on the slopes of the Bambolim plateau, having a birds-eye view of lush green treetops, paddy fields, lakes and the capital city skyline.

Rich Builders Paradise is in very close proximity to all basic amenities such as schools, university, market and hospital. The famous Bambolim beach is at walking distance. The project will have its own swimming pool with a heart-throbbing view.

The underground cabling of all electrical, telephone, cable TV and street lights wiring is a special feature which will avoid shabby overhead cable crossings.

And as with all other Rich Builders projects, you are assured of timely completion with high quality of materials and accessories used in the construction.
