Waghodia Road has been epitom of sub-urban development in last 5 years. The new roads, flyovers & drainage systems have attracted many real estate company who have started building high rise buildings. Sooner the business activities will catch up due to the advent of new population in the area. Thus it is a good investment as well as residing location.

Pros:

- *Connectivity*
- *Water availability*

Cons:

- *Schools, Malls are not available*
