Panchpakadi was the central part of Thane city till about a decade or so until Thane began to grow as a city by leaps and bounds extending boundaries, almost about 15 kms from Thane station. The crowd is a cosmopolitan which earlier used to be either Marathi or Gujarati. The Thane Municipal Corporation and the Kachrali lake add essence to the area. It has schools,colleges,hospitals,malls,restaurants,gyms in the vicinity. The area off late has developed into a hot spot eating area with udupi restaurants, concept restaurants,international fast food joints,major ice cream parlours,Chat food joints. Has a major potential of redevelopment and cluster development. It is a peaceful area and safe for females even during night at late hours.

#### Pros:

- Very strategically located to Thane station about 1.5 kms and about 0.2 kms from the eastern express
- The area off late has developed into a hot spot eating area with udupi restaurants, concept restaur
