Attapur has grown multifold in last five years. Malls, multiplex, restaurants, banks, schools and colleges, hospitals including business and trading points have sprung up making it more alluring. Musi river provides a natural space to the North and zoo area in the SE, Agricultural university in the South provide freshness. There are no polluting industry nearby. It has excellent connectivity to all places including Airport. Attapur is attached to Rajendranagar residential area. It makes sense to have a home in Attapur.

Pros:

- Clean residential neighborhood
- Excellent connectivity to airport and city centre
- All modern conveniences available at short distance
