Winspace Realty is a reference to the two words 'win' and 'space'. The name itself touches upon the sanctity of a home and its ability to stand as a sign of good fortune. Much before Winspace created its niche in the real estate business, it was already an established company in the textile industry at Kolkata. In a bid to venture into the bigger realm of the business industry, the family set its eyes on the financial capital of the country - Mumbai, in the year 1981.
