Dombivli East is a good locality for families from daily life convenience point of view. People who know Dombivli well come here from Mumbai (Mulund/ Bhandup) as well for shopping. All in all a good place from practical convenience outlook.

Pros:

- Good auto service through out 24 hrs. Even in case of strikes, you can walk 1-1.5 hrs
- You can safely walk even at night till Icon hospital.
- pools, gym and all amenities available at convenient locations

Cons:

Dombivli is known for many positive things which goes in its favor, some of these are like 100% literacy rate, 99% working middle & higher middle class peace loving population who are known for their cultural activities. Renowned personalities from all walks of life are staying here. Boundaries of Dombivli are extending due to increase in home seekers & non-availability of space. Big projects are coming at outskirts of Dombivli from reputed developers with all modern amenities.

Pros:

- Literate, Cultured, working class middle & higher middle class peace loving population

Cons:

- Limited mode of transport ie Railway on which 99% population is depending for transport.
