The Upcoming development area out of Hyderabad, covered with big companies and surrounded with Regional ring road and outer ring road in coming future, the prices here are low as per the market but if invested in proper channel will give double rewards, i myself have investor two years back and now am happy with my decision , i recommend others too.

Pros:

- Big upcoming Companies like NIIMZ
- Surrounded with Regional ring road and outer ring road
- Low population , best area for investment

Cons:

- Quiet far from Hyderabad

The best part of sadashivpet is there are developments where nobody is expecting in future, if we merge all the developments then they are as follows , Companies : MRF, TOSHIBA, PEPSI, you will find these companies here, then there is big project coming in that is NIMZ, National Investment and manufacturing zone 13500 acres spread project, imagine number of companies contributing to it , which will open employment, then employees will find residential areas to reside nearby then, value increase automatically

Pros:

- Companies : MRF,TOSHIBA,PEPSI,NIMZ zaheerabad
- NH 65 HIGHWAY - ideal for imports and exports
- close proximity for ORR - outer ring road and RRR - regional ring road

Cons:

- 35 kms away from patancheru
- 50 kms from gachibowli
