Locality Reviews

Sector 22, Noida

SECTOR 22 is very central in terms of its connectivity to south as well as east Delhi. Also very close to the industrial hub of sector 8, sector 10 and so on. Spice Mall and Noida Stadium is walking distance. The sector has a good market and one gets all the essential items very easily including fresh fruits and vegetables. Good schools, hospitals and clinics are all part of the sector. The internal roads are decently wide therefore car parking space is easily available.

Pros:

- Very Centrally located
- Wide internal roads
- Good Security

Cons:

- Arterial roads are a bit busy sometimes
