Locality Reviews

Ibrahimpatnam, Hyderabad

Ibrahimpatnam is a brand for education earlier but now its brand for various fields developments. Its saga has been in full swing when ranga reddy district collectorate office works started in kongarakan.

It's an address that gets you connecting with a locale that has been rapidly expanding in value and in demand.

Arising on the linking road that connects major parts of city ,it makes life easy for those travelling every day to major corporate on this side.

So much space for nature, full of space for bonding,

Pros:

- Good connectivity near by L.B Nagar
- Education and Employment Zone
- Reasonable prices and lots of hope for future

Cons:

- Not much infrastructure
- Plan execution
