Residency Ankita News

Expert Reviews on Residency Ankita

If possible I should give 0.5 star. 1star is enough for it. We are staying here from 3-4 month in 3Bhk. Most of the worst facilities I ever seen. Some of the security guard is donkey types. They don't have minimum sense what he should tell or not. They don't give generator connection in night.

Pros:

- I still can not find a single pros for living here

Cons:

- Some of security guard are very useless person and can
- There are no generator connection in night,just give generator connection in evening time few hours
