Expert Reviews on Vajra Elite Homes

Vajra Builder have 3-4 projects in Whitefield, Bengaluru and I have purchased flat in Vajra Elite Homes after visiting their previous projects. Rain Water Harvesting (RWH) already done and they have RWH certificate with them. After pressurized by the owners, builder is doing STP in Elite Homes. Other amenities like party hall, 24x7 DG back up, loaded Gym, Children play area, 24x7 CCTV surveillance system, 24x7 trained security guards, society office room, Laundry bay, Garden, Kone lifts, Fire Extinguishers in common areas etc. already provided to the residents. For Cauvery water connection, builder has deposited the application with other formalities and as per them soon we will get the Cauvery water in our apartment.

Pros:

- *Located near ITPL exit gate and walk to office without any traffic problem*
- *Hospitals, schools, Banks, malls are walkable distance and very good communication facility*
- *Very good investment for rental income & easily get tenants with 2 BHK*

Cons:

- *No Swimming Pool*

Vajra Elite Homes is builder is not a professional builder and cant handle project. They have left a lot of work pending on the current Vajra elite home and not responding to owner request. The structure architect is one of the worst with water clogging everywhere with proper outlet. had taken money for BWSSB & Cauvery and cheated owners here. No STP and Rain water harvesting in project which is promised and cheated again. No ownership from builder and their supervisors on site cheat and demand money for completed pending work.many false promises. only 2 out 3 lifts installed and that too only 3 and fit in. To save money he has done a lot of sub standard tasks. Electrical work is the worst and still pending a lot on it. the list goes on. Visit the site and talk to owners and you will get a better idea

Cons:

- *Cheated on BSWWB , STP ,Lift and many more*
- *No proper management of people*
- *Deaf ears to owners for pending for almost a year*
