Description

Vishnu Housing extends back to 1986, to the vision and dedication of its founder Sri.Krishna Prasad (Chairman & Managing Director) a pioneer who is totally committed to quality, both in terms of product as well as service. We take pride in our ability to communicate, and to listen. Really listen. To your needs, your desires and your dreams. Because it is our job to understand and translate your dreams into constructive, tangible, appreciable reality, in other words into a distinctive apartment.

Nest is a strategically located gated community comprising of six apartment blocks that doesn't suffer from floating population around it. The dead-end road ensures no thoroughfares. This truly makes it a virtuous and exclusive destination of residents only. An impressive gate manned by security round the clock welcomes you to your private heaven. Jogging tracks, pockets of landscaping, wide internal roads take you to next level ambience. Watch your children like butterflies in freedom in children play area in evenings. Discover them playing in gay abandon under the watchful eyes. Let them spend a picnic right within the premises. The well maintained swimming pool is a haven for children to splash during weekends.
