Description

Agarwal Associates Group will be among the few names that would feature right on top. Pioneers in real estate development for over twenty five years, Agarwal Associates was founded by Late Shri B. B. Agarwal who was a qualified civil engineer. He had the vision to foresee the scope in the real estate sector and sowed the seeds of quality for the company to create a niche in the market place. Agarwal Associates today are known for their high quality construction and commissioning of major commercial complexes and shopping centres that combine the triple advantage of prime location, innovative design and well-planned amenities. As they say "Rome was not built in a day", the success story of Agarwals too has not been written in a day. It's the result of solid foundations of numerous completed projects. What differentiates Agarwal Associates from others is their ability to strictly adhere to project completion schedules and approvals of government authorities.
