Project Reviews

DLF Valley

DLF is one of the best brand and excellent Constructions all across project BSts

Pros:

- *Best in class construction qualities*

Cons:

- *Staff works like Govtt deptt*

Dlf Valley is a major flaw in floor plan on ground, 1st and 2nd floor as Kitchen and washrooms can't be adjacent to each other imagine somebody is making food in the kitchen and other is using the washroom at the same time and there is just one wall in between request for change in floor plan.

Pros:

- *Overall design is good*

DLF Valley Panchkula is located on Shimla kalka Highway; it's around 15 minutes' drive from Chandigarh. It's near to Chandi mandir cantonment. Huda government is developing 32 sectors under new area Pinjore Kalka urban complex. Sector 1 will be a commercial sector, all shops, offices will be there. Sector 2 is with Amravati Enclave, Famous Rajasthani Food joint Chokhi Dhaani is situated in sector 2. Sector 3 is with DLF, its spread into Approx. 200 Acres. It's by the name DLF Valley. DLF is constructing independent floors there on a plot sizes varying from 270 sq. yards to 500 sq. yards. Size of Independent floor varies from 1450 sq. ft. to 2490 sq. ft. Construction of floors is going at a good speed. Company launched its project in 3 phases; Possession of its Phase will be handed over most probably this year. It is a beautiful site to live as well as for investment. Project got delayed due but now it is running at a good pace.

Pros:

- *Beautiful Site*
- *Near to chandigarh*
- *Near Possession*

Cons:

- *Only Independent Floors are available*
- *No Proper approach as of now*
- *Parking on the front of house*
