Headquartered in Bangalore, **Metropolis Properties** has been leading the residential and the commercial real estate segment of the region for quite some time now. With the aim of offering better infrastructure and of course much better living spaces -metropolis properties have went on to become one of the well-known real estate builders in Bangalore. In business for more than 14 years now, the organization has established a named for itself in the world of real estate; from building elegantly designed apartments to world-class commercial spaces - every project that the builders undertake, exudes some of the grand architecture and amazing designs. Alternately, every project is based on robust infrastructure. The founder of the organization, Mr Reddy had laid the foundations under this name - Metropolis Properties. As the organization focuses on offering some of the best facilities - each and every real estate project of Metropolis Properties upholds the immense dedication and commitment through its projects.
