Locality Reviews

Sector 109, Mohali

Sector 109 EMAAR Mohali is a good sector and It will become a good property address in the coming years. Few negative points like ,it does not have good and Sufficient parks and the green patch which the Company says golf course does not belong to it. This is a government property and may not be available to The future residents of this sector. Landra Kharar Highway also not going to be upgraded from 100ft to 200ft. These points dampen the real estate value in this General area.

Pros:

- Reasonable price and connectivity to Old Mohali and Chandigarh is good.
