Locality Reviews

Chevella, Ranga Reddy

Chevella is one of the pristine as well as promising suburbs of Hyderabad. The Area is also blessed with an unmatched connectivity – from NH7 (Hyderabad –Bangalore highway) and NH9 (Hyderabad – Mumbai highway) to Outer Ring Road (ORR) connecting these highways and Peripheral Ring Road (PRR).Which means the city, international airport at Shamshabad and Gachibowli, the major IT hubs are all easily accessible from here. What's more, choicest of educational institutions are mere minutes from the sites. Thus Chevella is connected to Outer Ring Roads through this 300 feet Road. And these Outer Ring Roads are then connected to National Highways.

Pros:

- *Good location*

Chevella will be developed within 3-year time period from now, when State Highway work completes, Price of lands in this area is expected to be 3-4 times the current price. The place is developing very fast and is having a good connectivity.

Pros:

- *Chevella is the next hottest location after Gachibowli.*
- *Developments of roads,electricity,textiles & parks etc.....*
- *Available transport facilities*
