Karjat is a destination, center of two metro cities Mumbai and Pune. New highways initiative by government is making it closer day by day to both cities. Educational institutes, new developments, new construction activities are at peak with leads to more and more opportunities for construction allied industries.

Pros:

- *Easy to drive*
- *User friendly atmosphere*
- *Pollution free*

Cons:

- *Electricity problem during monsoon*

Karjat is situated on natural plateau of Bhor, Sahyadris and Western Ghats. It is Very rich terrain, full of greenery in the monsoons, with seasonal waterfalls culminating into rivers and streams. Farm houses and residential colonies are springing up here with all civil amenities and a municipal corporation. Karjat has become one of the most seeing-sought after refuge from the high noise, high pollution and fast city life.

Pros:

- *Fresh oxgenerated air not found in fast and suffocating city life*
- *Best Location*
