Description

Vatika Groups consider ourselves a service industry and our service is to design for life – your life. We aim to create spaces that enable you to focus on the things you consider important – whether it is building a business, growing a family, connecting with friends, or simply finding the time and space to pursue your dreams. We believe in delivering value to all our stake holders by creating products and services that enhance the value of life. We believe in conducting business with integrity and transparency.

Urban Woods is an immaculately planned premium row-housing development spread over 17.33 acres within Vatika Infotech City, Jaipur. The housing complex features 432 three- and four-bedroom unit options on a plot area of 360 sq. yd. Each apartment has its own exclusive identity, while enjoying the benefits of being a part of a much larger township. The building itself comprises of contemporary and minimalist straight-line architecture, symbolizing perfect harmony between aesthetics and utility. With its controlled egress and ingress points, making it secure and segregated from the outside world, Urban Woods emphasises contemporary living in a synchronised, well-planned community. Each detail in a Vatika home ensures that form follows function, which translates to spaces that fit around your needs.
